SUMMARY

I am a motivated and adaptable individual with a strong passion for technology, creativity, and innovation. I approach every task with dedication, professionalism, and a results-driven mindset. I work well both independently and in teams, communicate effectively, and thrive in dynamic environments that encourage learning and problem solving. With a balance of technical expertise and creative thinking, I am committed to contributing meaningful value to any organisation I work with.

TO WHOM IT MAY CONCERN

Dear Sir/Madam

RE: INDUSTRIAL ATTACHMENT (WORK-RELATED LEARNING) PLACEMENT:
TAFARA...CHITUYO.....STUDENT REGISTRATION NUMBER: R231529S.....

The Department of Computer Science, University of Zimbabwe (UZ), is applying for (Work Related Learning) industrial attachment placement in your organization on behalf of the above-named student, who is currently studying for the BSc Honours Computer Science/ BSc Honours Artificial Intelligence and Machine Learning/ BSc Honours Cloud Computing and Internet of Things. The (Work Related Learning) industrial attachment is for the period August 2025 to August 2026 and is in partial fulfilment of the requirements of the degree programme.

Inter-alia, the (Work Related Learning) Industrial Attachment will afford the student an opportunity to apply theory and to practice and to prepare the student for professional growth and development. It is against this backdrop that your decision to take the student on (Work Related Learning) Industrial Attachment will be greatly appreciated.

During this period, the student will be expected to abide by the rules and regulations of your organization. For any further information, please contact the Chairperson via email at trupere@ceic.uz.ac.zw.

I look forward to your favourable response.

Yours sincerely,

MR. T. RUPERE

(HEAD OF DEPARTMENT)
